

"Working for you not the dairy"

Dairy Partners are continually developing new and natural dairy products for use in the food service and food manufacturing sectors.

Committed to enhancing our current product range to meet the ever changing demands of the market, we work with our customers to trial new food flavours, applications, and handling requirements.

DAIRY PARTNER PRODUCTS

Natural Cheeses

We have developed a range of natural cheeses as high quality great value alternatives for the food industry.

These have been developed and tested to enable us to supply the most versatile of ingredients for pizza, ready meal, sandwich and general catering.

Fiorello: a traditional mozzarella

A new traditional mozzarella.

Casa Italiano: a traditional grated mozzarella

Our brand grated cheese, grated on the premises.
